

You hope for an uncommon life for your child – one with great achievements, strong faith, and deep meaning. At Covenant, **“UNCOMMON”** is our tradition.

Our graduates are a living legacy of Covenant's unparalleled education. You are sure to know a Covenant graduate by the way they live an **UNCOMMON LIFE**:

COVENANT GRADUATES SOLVE PROBLEMS AND ARE PREPARED TO LEAD.

Critical thinking comes naturally to a child taught how to ask questions and look for creative solutions. A Covenant grad leads well.

COVENANT GRADUATES HAVE RESPECT FOR OTHERS.

Our students are inclusive and empathetic. Yet, a Covenant grad doesn't sway to the world's changing opinions. Boldly declaring truth to those who will listen and lovingly listening to those who won't, our grads seek to change the world – not conform to it.

COVENANT GRADUATES TAKE ON CHALLENGES.

Early on, we teach that nothing worth pursuing comes easy. When confronted with a challenge, a Covenant grad has confidence to take chances and discipline to succeed.

COVENANT GRADUATES PURSUE OPPORTUNITIES.

A fulfilling life includes participation in a variety of sports, arts, and educational activities. A Covenant grad is as comfortable on the field as they are on a stage.

COVENANT GRADUATES LIVE FOR CHRIST.

Our grads hold firm to their faith even after they leave CCA. Equipped with Biblical knowledge and a heart of grace, they go into the world carrying the message of the gospel wherever they go.

Your child's **UNCOMMON FUTURE** can begin today.
